INDICAÇÃO N° 015/2022

AUTOR / SIGNATÁRIO

Ver. Markim Costa

DESTINATÁRIO

SECRETARIA MUNICIPAL DE
DESENVOLVIMENTO URBANO- SEMDUH-Sr.
Edmilson Ferreira dos Santos.

Exmo. Sr. Presidente da Câmara Municipal de Teresina,

INDICO ao Exmo. Senhor Secretário Municipal Desenvolvimento Urbano e Habitação- SEMDUH Sr. Edmilson Ferreira dos Santos, após ouvido o plenário desta Casa Legislativa, que seja **feito o serviço de manutenção e troca de Lâmpadas na Praça Zezinho Holanda, bairro Cristo Rei, zona sul de Teresina.**

JUSTIFICATIVA

A presente solicitação atende a reivindicação da população, que solicitam a manutenção e troca das lâmpadas dos postes da praça supracitada. O pedido é pertinente visto que a falta de iluminação adequada está proporcionando ações de vandalismo. Tal fato tem gerado insegurança para os moradores e os mesmos acreditam que realização do serviço diminuiria consideravelmente ação de vândalos. Diante do exposto e a pedido dos Municípes, é que solicito que seja tomada providencias.

ASSINATURA

Vereador MARKIM COSTA

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the various methods used to collect and analyze data. It describes the process of gathering information from different sources and how this data is then processed to identify trends and anomalies.

3. The third part of the document focuses on the role of technology in modern data analysis. It discusses how advanced software tools and algorithms have revolutionized the way data is handled, allowing for much more complex and detailed analysis than was possible in the past.

4. The fourth part of the document addresses the challenges of data security and privacy. It highlights the need for robust security measures to protect sensitive information and the importance of complying with relevant regulations and standards.

5. The fifth part of the document discusses the future of data analysis. It explores emerging technologies and trends that are expected to shape the field in the coming years, such as artificial intelligence and big data analytics.

6. The sixth part of the document provides a summary of the key points discussed throughout the document. It reiterates the importance of data accuracy, the evolution of data analysis methods, the impact of technology, the challenges of security and privacy, and the future prospects of the field.

7. The seventh part of the document contains a list of references and sources used in the document. This section provides a clear and concise way for readers to locate the original sources of the information presented in the text.

8. The eighth part of the document is a concluding statement that expresses the author's hope that the document will provide a valuable resource for anyone interested in the field of data analysis. It also offers contact information for further inquiries or feedback.
